Elk Point Remembers

The Parade started at 10:30 a.m. on main street, lead by the R.C.M.P. who were in full dress uniform, followed by the Royal Canadian Legion, the Guides and Brownies, the Royal Purple, the Elk Point Lodge, the Beavers, Scouts and Cubs, the Lions and Lionesses. The parade made its journey from main street to the Cenotaph located at the Pioneer Senior Citizens Club.

Rev. Steven Cox began the outside ceremony with a prayer of invocation. Miss Kim Smith recited the well known poem "In Flanders

Fields", and Ron Barwick on trumpet played "Last Hope". Following this there was a Tribute of silence.

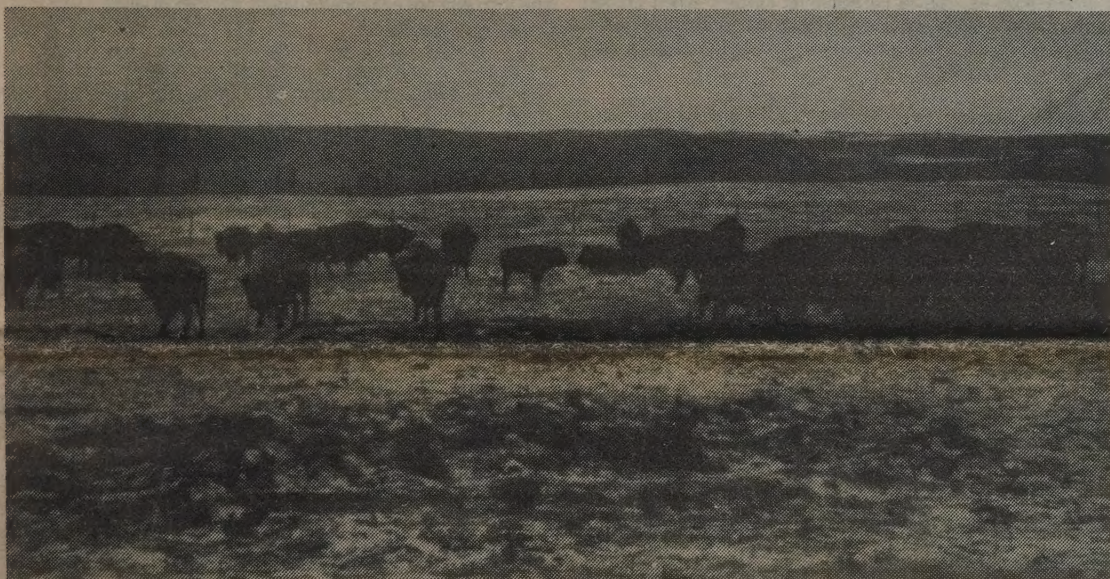

Pat Vincent commentated the Laying of the Wreath ceremony. Mrs. Zella Campbell placed the first wreath on behalf of the Motherhood, followed by: Morris Cooper on behalf of the Government and Town of Elk Point; Mr. Lawrence Garneau on behalf of the Royal Canadian Legion; Mrs. Renee Keller on behalf of the Senior Citizens; Allan Berg on behalf of the

Masonic Lodge; Bill Schuhmacher on behalf of the Elks; Lois Sharek for the Royal Purple; John Williams and Max Borowski for the Lions; Veronica Flanders and Heather Bjornstad for the Lioness Club; Jim Fell and Billy Briggs for the Beavers, Scouts and Cubs; Kim and Cindy Smith for the Brownies and Guides; Joe Thir for the Canadian Salt Plant; Frank Mayner for the Toronto Dominion Bank; Monica Becksa for the Treasury Branch; Fred Kryvenchuk for the Credit Union; Doug McPherson for Capital Drugs; Ed Gregarschuk for Macleods; Lori Schmere for the Gulf Station; Ron Vogel for U.F.A.; Master Bepalko for C.B.M.; Larry Demchuk for Elk Point Insurance and Realty; Faye Smith for Elk Point Bakery; Allen Warawa for Warawa Accounting; Elaine Zayoncee for Elk Point Municipal Hospital; Dwayne Vogel for 4-H; and last but not least, Mrs. Anne Buck on behalf of Buck's Construction.

The ceremonies were moved indoors to the Pioneer Circle Club where a Pioneer Circle Inter-denominational Service took place with Rev. Steven Cox and the Baptist Church Minister, John McGregor.

A short speech from L. Metz the President of the Legion was heard followed by short sermons from Rev. Steven Cox and Minister John McGregor. "God Save The Queen" was sung at the end of the service.

Lunch was served by the ladies of the Pioneer Circle Club to everyone who attended the services.

Playschool visits buffalos

Wednesday, November 9th, the Jack & Jill Playschool went on a field trip by bus (the bus was compliments of the F.G. Miller High School, along with the volunteer driver Steve Kozina) to Jim

Dawson's Buffalo Farm, located just outside of Myram. Linda Briggs, playschool teacher, ten parents, twenty-four children and Kathie Locker, F.C.S.S. Director, were given a tour of the farm by Mrs. Dawson.

At present, there are approximately 93 buffalo on the farm, which the Dawsons raise and sell for meat. The hides of the buffalo are used to make numerous things such as rugs, chesterfield throws,

mitts, etc. which was quite evident in the Dawson's residence. Mrs. Dawson also had a mounted buffalo head; the children took turns examining and touching it.

In appreciation for the tour and use of the facilities Linda Briggs presented Mrs. Dawson with a picture the Playschool children painted and a cap depicting a buffalo on the front.

Karen Gray, Calgary; Leslee Barrie, Toronto; Jeannie Plamondon, Moose Jaw; Gerry Weiske, Winnipeg; Daren Aucoin, Halifax; and Claude Faureau, Montreal are the Katimavik Students presently working in Elk Point.

Elks start the season right

First regular game of the season opened up with Bill Pacholek welcoming the Elk Point Elks back into the league along with the League President Pat Vincent. The teams were introduced and the officials William Schumacher presented a cheque on behalf of the Elks for the new time clock.

Ron Barwick on trumpet played "God Save The Queen" with George Mackenzie singing followed by "The Last Hope".

First period set the pace for the game with the Elks scoring three goals to Kehewin's one. Five penalties were picked up with four to Kehewin and one for the Elks.

Second period, the Elks picked up one goal. Both teams received two penalties.

Third period, the fans were treated to some action, with the Elks scoring five goals in all. Kehewin managed to score two goals. Kehewin had more shots on goal than the Elks, 46-38, but they couldn't seem to get the puck in behind the goalie. Score at the end of the game was Elks 9 and Kehewin 4.

Next home game is Wednesday, November 16 with the Elks versus Goodfish Lake Kings. Game time is 8:30 p.m.

MLA Report

There is encouraging news regarding a red meat stabilization program agreement. Alberta Agriculture Minister LeRoy Fjordbotten, federal Minister Eugene Whelan, Saskatchewan Minister Lorne Hepworth and Ontario Minister Dennis Timbrell have agreed in principle on a national stabilization plan. Greater financial and legal details must still be worked out.

Alberta, Saskatchewan and Ontario account for most of Canada's beef and pork production. The plan is unique because participation would be voluntary for farmers. The federal and provincial governments, as well as farmers who choose to participate, would pay premiums into the plan. Quarterly payments would then be paid to participating farmers when market prices on cattle, hogs and lambs fall below their regular cost of production. This is a very positive step forward to help stabilize our red meat industry.

Alberta, for some time, has been working towards some national plan. One which would carry the beef producers through the lean years. It is a tri-part agreement with the Federal government, the Provincial government and the producer paying into the plan. Provision would be made for someone wanting to opt out of the plan. Provision is also made for other provinces to come into the plan at a later date.

As well, agriculture needs more profile and more recognition. It is our basic industry and a renewable resource

and will still be around when other resources are exhausted. We need a western consensus on agriculture marketing and more discussion in all sectors. Our national economy depends on this.

Alberta has taken a lead in trying to establish further trade with the Pacific Rim countries. There is a great agriculture export potential in that area with several billions of people.

The Alberta Heritage Fund Mortgage Interest Reduction Program ends August 31, 1984. This program has been an unqualified success, helping 146,915 Alberta families to date. The total amount expended so far is \$156,636,339.

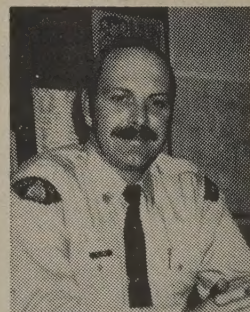

I think it is important to note that the Alberta Income Tax Selective Reduction Program will continue to benefit low income earners in the province. Over 500,000 Albertans receive some tax reduction under the program. Single persons earning \$8,760 a year or less, and families earning \$13,880 a year or less, will continue to be fully exempt from paying provincial income tax. This program has operated since 1975, and continues to be in effect.

If you have any questions or concerns, please call. I can be reached at 645-2688 in St. Paul, or call Edmonton collect at 427-1833. Your ideas are always welcome.

From "The Sergeant's Desk"

It was recently brought to my attention that people in Elk Point detachment area were either unable to/or had a difficult time contacting a police officer during the evenings and on weekends.

Our usual office hours are 8:30 a.m. to 5:00 p.m., Monday to Friday at which time you should be able to contact us at our office phone 724-3829. There are policemen on duty after regular office hours but they may not be in the office. In this case you are to phone the R.C.M.P. radio room at St. Paul, 645-4431. These people are our dispatchers and they are in direct radio contact with us at all times.

Please remember to call us during regular office hours at our regular phone number, 724-3829, after hours and on weekends call St. Paul, 645-4431. If all else fails call your operator and ask for Zenith 50000.

Heh, remember me?

I'm the fellow who goes in to a restaurant, sits down and patiently waits while the waitresses do everything but take my order.

I'm the woman who goes into a department store and stands quietly while the sales clerks finish their little chat.

I'm the man who drives in to a gas station and never blows his horn, but waits patiently while the attendant finishes reading his comic book.

I'm the gal in the specialty store who has selected an item, and can't find anyone to take my money.

Yes, you might say I'm a good guy. But do you know who else I am? I am the person who never comes back. It amuses me to see you spending thousands of dollars every year to get me back into your store, when I was there in the first place. All you had to do to keep me, was to give me a little service and show me a little courtesy.

Kitchen corner ates

I suppose with the snow now here to stay I should be offering hot soup or such recipes. However, I would rather share two favorite dessert recipes with you. The first one is light, delicious and quick to make. Both would be nice for entertaining, especially with Christmas around the corner. From now until Christmas the Kates will be sharing their favorite Christmas recipes, crafts and hints with you.

Elk History

There is so much that could be said, and should be said about the Elk Point B.P.O. Elks Lodge #460, and as Historian I have neglected to do so. Briefly I will attempt to give a run down on affairs of the past few years during which time many and varied have been the activities of the lodge and its members.

In recent years we have been very fortunate in selection of the Exalted Ruler, and the executive members. I hesitate to single out any one member, but for the two year term of devoted and inspiring leadership the years 1981-82 Exalted Ruler Bro. Albert Boratyne was a most inspiring leader, and with a strong executive behind him really reached the top. Men like Elmer Bjornstad (14 years as secretary), Bro. Ed Pankiw (12 years as Treasurer) and many more with years of

valued membership makes a team hard to beat.

To describe the fine Community Centre is not necessary, as over the years it has been the centre of most of the social activities within the area, and has become well known as one of the finest.

For many years the Bro. Elks assisted in many ways with sport, recreation, help for those who have suffered by fireloss, and anywhere they are able to help those in need.

In order to list the major areas of assistance from the lodge, I submit the following list of donations for the charitable and community work from January 1st to October 31, 1983.

Happy Birthday!

Chris Nelson of Elk Point, celebrated his 90th birthday on October 15th with an open house party at the Ferguson Flats Community Centre. He homesteaded three and a half miles north of Lindbergh in 1915 and farmed there until he moved to town in 1969. Mr. Nelson has eight children, twenty-nine grandchildren and thirty-five great-grandchildren, and many of them were there for the party. More than one hundred friends and relatives came to help him eat his big birthday cake and have a visit with him. Out of the district visitors were from Edmonton, Olds, Wainwright, Ryley, Goodsoil, Saskatchewan, Dewberry, St. Paul, Bonnyville, Heinsburg and Lloydminster.

Elk Point Hospital Auxiliary News

Lakeland Review, November 16, 1983, Page 5

The regular meeting of the Hospital Auxiliary was held on October 24, 1983. The membership was pleased to welcome one visitor to the meeting.

It was decided to rent three tables at the Flea Market on November 19, 1983.

The Auxiliary would like to thank the senior citizens at Buckingham House for the donation of their Bingo machine. Bingo is held every Wednesday afternoon for patients in the hospital.

Several items were donated to the hospital

during the last month. A baby swing and 2 lounge chairs have been placed in the Pediatric department.

Elk Point and district history book "Reflections" has been donated to the Physiotherapy department for use during "Public

Reading Hour", every Friday afternoon.

The staff of the hospital have been presented with "We Care" buttons, which are appreciated and proudly worn.

It was decided to present the Christmas baby with a sleeper set and an engraved spoon.

The group will have their Christmas party at the next regular meeting on November 28th with a gift exchange, entertainment and lunch.

Do you have your copy of the Elk Point "Reflections"?

Birthday Club

by Irene Magnusson

A get-together of the Elk Point "Birthday Club" is always an item of good news. This small group has met almost-monthly since it moved to Elk Point from the Spring Park area where it originated in 1942. Ladies in the country had little entertainment, so they would get together at each other's homes for birthday parties.

Later some of the ladies moved into Elk Point where they continued the friendly gatherings. Some of the ladies who have joined the group are Ada Scott, Ethel Graves, Grace VanNatter, Mrs. Darrock, Mrs. Swanson. Other members are Mrs. Jepson, Kitty Dewey, Cora Miller, Kitty Garneau, Mable Robinson, Florence Lindquist, Nettie Flanders, Gertrude Bristow, Kate Arnold, Nellie Rushfeldt, Anne Kates

and Ethel Martin.

These are but a partial list of the members, past and present. Some have passed on, or moved. The remaining members still meet.

Over the years entertainment at these Birthday gatherings have taken a pattern. They meet at 2 p.m. in the hostess' home. There will be one or more co-hostesses, responsible for bringing games, quizzes and readings for entertainment. Then any business of the

group is attended to (e.g. memberships paid annually; cards to ill members; place of next party, etc.)

Angel cake, strawberries and ice cream are traditionally served and cards signed by all present for the 'birthday girls' of the month. A good time is enjoyed by all, and a chance to visit with friends sometimes not seen otherwise.

Membership has stayed small, ranging from eight or nine to twenty-two, never too many to fit in one living room. From time to time it has been suggested that men be invited to join, but this has never really 'taken'.
